February 1, 2009

Dear Church Family,

The church voted by ballot this past Sunday (February 1, 2009) on whether to proceed with the proposed building plans as presented by the Building Committee. The vote was 100% in favor of proceeding to the construction phase of the project. Continue to pray as the Building Committee works with the architect to finalize the plans. Check the website and newsletter for building updates.

In Christ Name.

Kevin Baker, Pastor
